

Vinify

Introducing Granite Hills to the Vinify Portfolio

May 2024

GAMAY NOIR 2023 \$25.80 LUC

The fruit grows on the north western end of the vineyard, which is also the steepest section. Gamay's hardy nature makes it ideal for this challenging environment. Lew emphasised that 2023 produced a sleeker, brighter style, compared to the more tannic, bolder Gamays.

PINOT NOIR 2022 \$29.02 LUC

This estate-grown Pinot Noir is produced each year using fruit from the southern end of the block, the cooler north slope and the warmer east-west section. Some whole bunches are included, but mainly whole berries are used.

MCC 2017 \$19.35 LUC

This wine is a classic Right Bank Bordeaux blend of Merlot (57%), Cabernet Sauvignon (28%) and Cabernet Franc (15%). It's matured in the cool of their cellar in French oak barrels for 36 months.

THE GORDON 2017 \$23.65 LUC

Affectionately named after Gordon who planted the Cabernet vines, which are now the oldest in the region, this wine is an ode to his passion for Bordeaux varieties. All three varieties grow in the middle of the vineyard situated along the north east slope.

SHIRAZ 2018 \$25.80 LUC

From the first vintage in 1978, the Granite Hills Shiraz has set a benchmark for white peppery Shiraz, renowned for its definitive flavour, balance, structure and ability to age gracefully.
